03 CURB COLOR

CURBCOLOR

Special concentrated pigments in powder form used to change the color of the concrete mix, creating a curb that is colored all the way through. Pre-measured into CurbMix sized doses, 16 popular colors are manufactured specifically for curbing and do not contain the inert fillers often added to generic pigments. *Color swatch chart available.*

- 🎯 CurbColor™ Integral color pigments are sold in Dose boxes.
- 🎯 CurbColor™ Sample Channel Box are available as a sales tool.
- 🎯 25lb Bulk Boxes of CurbColor™ are also available upon request.

ANTIQUING POWDERS

Used to stop the stamping tools from sticking to the concrete. These powders create a second and third impregnated color in the stamping process. The stamping tools are dipped into the Antiquing Powder and pressed or rolled onto the curb.

- 🎯 Antiquing powders are sold in 8lb pails.
- 🎯 8 popular colors are available.
- 🎯 8lbs covers up to 3000 feet of 6" wide curb.

04 ADDITIVES

ENHANCE & PROTECT

ColorGuard+™

Protects and enriches the CurbColor pigment in your concrete mix while reducing the efflorescence - *one gallon will treat over 1,000 feet of curb.*

CurbFiber™

Used to reinforce the concrete, giving it more strength, flexibility, crack resistance and product endurance. Available in bulk or convenient boxes of 100 x 1.5oz packets - *use 1 packet per mix / up to 1500 ft.*

CurbFilm™

Allows trowels to slide effortlessly. Finish the curb in one trowel pass for a fast and flawless result; all the while protecting and enhancing the colors in the curb - *1 gallon treats up to 3000ft of curb.*

CurbTough™

Reduces shrinkage and cracking while enhancing cohesiveness, toughness and final strength of very low slump concrete curbing mix. Developed specifically for creating Moroccan Natural Stone Curb.

CurbCure™ UV 350

LOW V.O.C. | Will assist concrete to attain maximum strength either a long-lasting, highly protective finish. Seal colored curb at the time of installation (while concrete is still damp) 30% solids-dilute 3 parts/2 parts acetone.

| | CurbFiber, 11lb in box | \$135 |
| | CurbCure UV 350 Sealer - 5 gal | \$198 |
| | CurbCable - 500 ft x1/8" Galvanized Cable | \$98 |

CurbColor pigments are 100% pure concentrated powder pigments manufactured by Lil' Bubba® with *zero added fillers* that other manufacturers use to “bulk them up”. CurbColor is packaged in a convenient *mix-specific* dose and ready to use, each box contains 45 individual packaged doses – easily add 1 or 3 pre-measured “doses” to achieve the desired color. Lil' Bubba® eliminated the mess of measuring on the jobsite, helping you to sell more curb with the CurbColor dosage chart or convenient *CurbColor™ Channel Sample Box*.

Lifetime Free Mold Replacement*

* With your purchase of a new Lil Bubba® curb machine, any molds purchased are eligible for our Lifetime Free mold replacement program. Any mold replacement claim must be returned to The Concrete Edge Company at the customer's expense. Upon receipt and confirmation of condition, The Concrete Edge Company at its discretion will replace the mold (customer responsible for shipping cost). This warranty is NOT transferable and DOES NOT apply to hand trowels. *Warranty does not apply to lost, modified or damaged molds.*

How does Lil' Bubba replace a Worn out Mold?*

Send us your worn out mold for a refund of the FULL purchase price of your replacement mold as long as you own the Lil' Bubba Curb machine. *Only molds purchased new on the same invoice as the purchase of your new EP Curb machine will be eligible for the Lifetime Free Mold Replacement when they are worn out. (Being worn out is defined as the metal forming the mold surface being worn through, creating a visible perforation in the metal.) The worn-out mold must be returned to The Concrete Edge Co at customer's expense. Upon receipt of the worn out mold and confirmation of condition, The Concrete Edge Co at its discretion will refund the full purchase price of the replacement mold (less the shipping cost). This warranty is NOT transferable and DOES NOT apply to hand trowels. Warranty does not apply to lost, modified or damaged molds. (cost). This warranty is NOT transferable and DOES NOT apply to hand trowels. Warranty does not apply to lost, modified or damaged molds.
